STATINTL

Dear Miss ____

Further to our telephone conversation this morning, I am
enclosing Mr. Thornburg's letter of introduction and Mr.
Yalman's card.

If it is possible to arrange an appointment for Mr. Yalman
to see Mr. Dulles, perhaps you would be kind enough to call
me at Hobart 2-3134 and I shall pass the message on.

With many thanks.
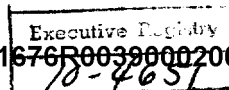

Yours sincerely,

Lynn Sharp.

Dear Allen —

I picked up your letter as I left Bolinas this morning. Thanks.

Leila and I expect to be at the Westbury (Madison at 69th) from 15–25 May, and to spend a day or two of that period in Washington. When would be the best time for a cup of tea with Clover and you — and perhaps five minutes with _____ As retired country folk we have no fixed plans — beyond a return trip through Canada. Drop me a note at the Westbury.
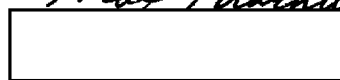

Yours —
Max
